COFFIN COLLECTION

Albin's Coffin range consists of the very highest quality coffins and caskets, produced by a team of highly skilled craftsmen and women. The range is hand built and made from both solid and veneered woods. As well as the traditionally styled coffins we have more modern, contemporary styled coffins including printed coffins using state of the art techniques to create a wonderful, visually stunning and memorable effect.

We also have a range of ecological, environmentally friendly coffins made from materials including Wicker, Bamboo, Bulrush and Seagrass.
